

## WOMAN'S MURDERER SENTENCED TO DEATH

Luther Canter Admits Crime As  
Two Hundred Armed Officers  
Stand Guard.

ABINGDON, Va., May 7.—With 200 specially sworn officers standing guard in and around the court house to prevent possible lynching and to insure him of a fair trial, Luther Canter, charged with the murder of Mrs. Maude Wilson, pretty young wife of James R. Wilson, in her mountain home near here during the absence of her husband, pleaded guilty here today and was sentenced to death.

Canter took the sentence calmly and appeared to breathe a sigh of relief when Judge Campbell had pronounced the words that will send him to the electric chair.

The court required only the evidence of the crime to be heard, and it was shown that Canter went to the Wilson home the afternoon of April 22 and remained until 4 o'clock the next morning. During this period he tied Mrs. Wilson to the bed post and after gagging her fired a load of buckshot into her chest.

Before the trial was begun, Judge Campbell had every precaution taken against violence. Judge Campbell has followed this practice ever since he succeeded Judge Mason, of this circuit, whose failure to take such precaution at Hillsville caused him to be shot to death by the Allen gang.

After Luther Canter was sentenced, trial of James Canter, his brother, charged as an accomplice in the Wilson crime, was begun.

The two men were brought here today from Roanoke, where they had been in jail for safe keeping.

Been Kidnaped.

After the sophomores of Catholic University had "kidnaped" their president, the freshmen yesterday succeeded in "rescuing" him in time for the class banquet at the Ebbitt.

Early yesterday Harold A. White, the freshman leader, was taken from his room by a crowd of sophomores and carried to Riverdale, Md., before the alarm was spread. After being rescued he was placed under guard to prevent a repetition of the "kidnaping," and reached the dinner without further mishap.

Speeches at the call of Toastmaster Harold A. White were given by Florian Boland, Francis A. Toole, Lloyd Freese, and Arthur Evans. Those present were Harold White, Stephen Pelletier, Joseph English, Frank Mooney, Cornelius Donahue, Bernard MacGrath, Arthur Mc-
